'Together we can achieve and celebrate success'

Sickness Bug! There is a pretty nasty sickness bug circulating at the moment and as you can imagine, bugs spread like wild fire in schools! Whilst we encourage the children to wash their hands more often it is inevitable that germs do spread! We had 17 children absent today due to sickness which is 30% of the whole school role!

Please can I remind you that if your child is unwell they need to stay at home until they are completely recovered. The Local Authority guidance and the policy that we have adopted is that children do not come back to school until they have had 48 sickness free hours! Thank you.

Visits/visitors this week On Friday of last week, Class 3 visited Pateley Bridge Methodist Church to take part in the Easter Trail. They had a really good time and enjoyed learning about the Easter Story.

On Friday of this week 15 children from Class 3 will be taking part in the **Charity Concert at the Royal Hall**. We will be leaving school on Friday afternoon to take part in rehearsals before the actual concert begins on Friday evening. The children will need to be in full school uniform and have a packed tea with them. The concert begins at 6.30pm and is scheduled to finish by 9pm. The audience will be subject to security checks so please bear this in mind when planning your arrival time (see attached document). Please make sure that your child is aware of your end of concert arrangements. Thank you.

Our theatre group will be performing at Harrogate Theatre tomorrow teatime (Tuesday at 5.30pm). They have worked hard all term with Lizzie and now have the thrill of performing at the theatre in front of their parents! The performances will be over by 6.30pm. Break a leg all of you!

We are looking forward to welcoming Reverend Mike Poole into school again tomorrow to talk to the children during assembly time.

And finally...thank you to all of you who attended parents evening last week. We hope that you enjoyed looking at your children's books and finding out about the progress that they are making. If you have any further questions regarding your child's progress please do not hesitate to contact school and we will help answer any queries you have!
