

English

We will be reading lots of fairy tales and traditional tales and then writing our own. We will also write reports about castles and how they have changed throughout history.

PSHE

We will be learning about new beginnings and getting to know our new class and classmates.

Maths

We will be getting to grips with number and place value, as well as addition and subtraction.

Our topic is

CASTLES

Science

We will find out about what castles can be built from and which materials are most suitable for building.

History

We will be learning about historical castles in our own area by visiting on a school trip, as well as learning about Kings and Queens of the past.

Design and Technology

We will be planning, cooking and evaluating different types of food for a medieval banquet.

Music

We will learn a range of songs about knights, castles and dragons.

Computing

We will be learning how to create, save and retrieve fairy tale and castle pictures using paint software.

RE

We will be exploring what it means to belong to a faith community and discussing what types of communities we belong to.

English

Year 1

Write sentences by saying out loud what they want to write, composing a sentence orally, sequencing sentences to form short narratives, re-reading what they have written to check it makes sense.

Discuss what they have written to check that it makes sense.

Read aloud their writing clearly enough to be heard by their peers and the teacher.

Year 2

Plan or say out loud what they are going to write about

Write down ideas or key words, including new vocabulary

Encapsulate what they want to say, sentence by sentence

Make simple additions, revisions and corrections to their own writing by evaluating their writing, re-reading to check that their writing makes sense, proofreading to check for errors.

Read aloud what they have written with appropriate intonation to make their meaning clear.

Science

Distinguish between an object and the material from which it is made

Identify and name a variety of everyday materials, including wood, plastic, glass, metal, water and rock

Describe the simple physical properties of a variety of everyday materials

Compare and group together a variety of everyday materials on the basis of their simple physical properties

PSHE

SEAL – new beginnings.

Our topic is

CASTLES

National Curriculum objectives covered in this topic.

Design and Technology

Use basic principles of a healthy and varied diet to prepare dishes.

Understand where food comes from.

Music

Use their voices expressively and creatively by singing songs and speaking chants and rhymes.

Play tuned and untuned instruments musically,

RE

What does it mean to belong to a faith community?

Maths

Year 1

Count to and across 40, forwards and backwards, beginning with 0 or 1, or from any given number

Given a number, identify one more and one less

And use the language of: equal to, more than, less than (fewer), most, least

represent and use number bonds and related subtraction facts within 20

Year 2

count in steps of 2, 3, and 5 from 0, and in tens from any number, forward or backward

recall and use addition and subtraction facts to 20 fluently, and derive and use related facts up to 100

show that addition of two numbers can be done in any order (commutative) and subtraction of one number from another cannot

History

Significant historical events, people and places in their own locality.

Lives of significant individuals in the past who have contributed to national and international achievements.

Computing

Use technology purposefully to create, organise, store, manipulate and retrieve digital content.
