

Last Week arrangements We break up on Friday at 3.30pm after a long term and I know that everyone is ready for a rest and a change of scenery. That said, the children have been fabulous this term; their resilience and attitudes have helped make some difficult days run smoothly and that, combined with a dedicated staff and understanding parents has meant that we have had a healthy, happy and safe term.

We have a couple of events taking place this week; firstly it is Christmas Lunch tomorrow which is always a great occasion - (we wish Lynda good luck!) We then have our Zoom Christmas Performance on Wednesday at 11am. **Please can the children wear their Christmas jumpers again on Wednesday for this? Thank you.** We also have a virtual visit from Father Christmas to look forward to and class teachers will share these Christmas messages with their children at some point over the week.

Covid update Please can you make sure that the children have a school jumper with them? We have to keep the classroom windows open and it can sometimes get a bit cool, especially for those children who are seated right next to the windows! Thank you. If any of the children do develop symptoms and are tested positive up to and including Christmas Eve then please do inform me as it is the school's duty to implement track and trace. From Christmas Day you would need to inform the NHS track and Trace system as after six days it is unlikely that the transmission came from school.
